

Parents' Guide for the Kids Club HQ Booking System

Team Bees are working with Kids Club HQ to provide you with a new booking system for their clubs.

This guide is an introduction on how to get going with the system when it goes live.

We're sure you're going to love the new system which will save you loads of time making new bookings.

- Only add your information and the information for your children once
- Automatically receive emails listing the days and sessions your children are booked in for
- Log in to view all your previous bookings
- Available from any computer with internet access

To get set up with the new system and to ensure that your child is registered for the appropriate days, it's important that you go through the following process as soon as possible.
